At Musashi-sakai station, go downstairs to the ground level, exit the main ticket gates and follow the sign for the SOUTH EXIT. You'll either see "Newdays", a convenience store on your left, or "Emio", a food market complex on your right hand side. With the bus rotary in front of you, turn left and walk past the Newdays, past Excelsior Café, and turn left into the hotel lobby, which is in the same building as Excelsior Café.
